Financial Policy

In order for our office to deliver the quality of care that you are accustomed to, we have established financial policies.

PLEASE READ ALL INFORMATION AND ACKNOWLEDGE BY SIGNING BELOW.

1. We ask that you present your insurance card(s) at each visit. It is your responsibility to provide us the correct information to bill your insurance.
2. If you have a change of address, telephone numbers, or employer, please notify the receptionist.
3. We will collect your co-payment, charges from previous visits, and charges for non-covered services at the time of your visit. We accept cash, checks, and Visa, MasterCard, Discover, AMEX and debit cards.
4. Your account will be charged a fee for returned checks for non-sufficient funds.
5. By Federal Law and Managed Care Contract law, this office is required to collect co-payments at the time of service. If you do not pay your co-payment you will be charged a delinquent co-payment fee.
6. If your insurance denies our charges or does not pay us in a timely manner, you will be responsible for the charges.
7. If your account becomes delinquent we reserve the right to refer your account to a collection agency and report it to a credit bureau.
8. MEDICARE PATIENTS: We are participating providers with Medicare and will bill Medicare for all of your covered charges. We will also bill any secondary insurance you may have. If you do not have a secondary insurance, any remaining balance will be your responsibility. Each year you will be expected to pay the allowed amount of your charges until your Medicare deductible is met.
9. HMO-PPO PATIENTS: If we participate with your plan, we will bill your insurance for you. If your plan requires you to choose a primary care physician, it is your responsibility to notify your plan. If your plan requires you to have an authorization to see a specialist you will need to obtain that from our office prior to seeing the specialist. No retroactive referrals will be given. If we do not participate with your plan, we will attempt to bill your insurance. Any amount remaining from your out-of-network benefits will be your responsibility to pay.
10. SELF-PAY PATIENTS: Patients with no insurance will be expected to pay at the time of service. If you are not able to pay in full, you will need to contact our billing department to discuss payment arrangements prior to being seen.
11. MEDICAID PATIENTS: We are contracted with traditional Medicaid and some Medicaid HMO plans. If we are contracted with your plan we will submit your claims. If we are not contracted with your plan we will not submit your claim and you will be considered self-pay and are liable for payment of all services provided. Services may be a covered Medicaid service and other providers may render the service at no cost to you. In the future if you choose to utilize your Medicaid plan you agree to transfer care to a Medicaid provider. Patients that miss an appointment will be discharged from the practice.

12. When an appointment is scheduled that time is specifically allocated for you. When an appointment is not canceled in advance we consider this a "no show". We understand there may be times when you are unable to keep an appointment, but we ask the courtesy of a phone call to cancel your appointment at least two hours ahead. If two appointments are missed without cancellation, you may be charged a fee.
13. Your insurance is a contract between you, your employer, and the insurance company. We are not a party to that contract. It is very important that you understand the provisions in your policy. We cannot guarantee payment of all claims. If your insurance company pays only a portion of the bill or rejects your claim, this becomes your financial obligation.

Remember, whether you do or do not have insurance, you are ultimately financially responsible for payment of your charges. If you have any questions regarding our financial policy, please contact our billing department at 479-968-4273.

By signing below, you are attesting that you have read and have a full understanding of the financial policy of woodMD PA.

NOTICE OF PRIVACY PRACTICES

As Required by the Privacy Regulations Created as a Result of the Health Insurance Portability and Accountability Act of 1996 (HIPAA)

THIS NOTICE DESCRIBES HOW HEALTH INFORMATION ABOUT YOU (AS A PATIENT OF THIS PRACTICE) MAY BE USED AND DISCLOSED, AND HOW YOU CAN GET ACCESS TO YOUR INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION.

PLEASE REVIEW THIS NOTICE CAREFULLY.

A. OUR COMMITMENT TO YOUR PRIVACY

Our practice is dedicated to maintaining the privacy of your individually identifiable health information (IIHI). In conducting our business, we will create records regarding you and the treatment and services we provide to you. We are required by law to maintain the confidentiality of health information that identifies you. We also are required by law to provide you with this notice of our legal duties and the privacy practices that we maintain in our practice concerning your IIHI. By federal and state law, we must follow the terms of the notice of privacy practices that we have in effect at the time.

We realize that these laws are complicated, but we must provide you with the following important information:

- How we may use and disclose your IIHI
- Your privacy rights in your IIHI
- Our obligations concerning the use and disclosure of your IIHI

The terms of this notice apply to all records containing your IIHI that are created or retained by our practice. We reserve the right to revise or amend this Notice of Privacy Practices. Any revision or amendment to this notice will be effective for all of your records that our practice has created or maintained in the past, and for any of your records that we may create or maintain in the future. Our practice will post a copy of our current Notice in our offices in a visible location at all times, and you may request a copy of our most current Notice at any time.

B. IF YOU HAVE QUESTIONS ABOUT THIS NOTICE, PLEASE CONTACT:
The office manager at 1660 West C Place, Russellville AR 72801

C. WE MAY USE AND DISCLOSE YOUR INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION (IIHI) IN THE FOLLOWING WAYS

The following categories describe the different ways in which we may use and disclose your IIHI.

1. Treatment. Our practice may use your IIHI to treat you. For example, we may ask you to have laboratory tests (such as blood or urine tests), and we may use the results to help us reach a diagnosis. We might use your IIHI in order to write a prescription for you, or we might disclose your IIHI to a pharmacy when we order a prescription for you. Many of the people who work for our practice – including, but not limited to, our doctors and nurses – may use or disclose your IIHI in order to treat you or to assist others in your treatment, including but not limited to specialists and other medical facilities. Additionally, we may disclose your IIHI to others who may assist in your care, such as your spouse, children or parents.

2. Payment. Our practice may use and disclose your IIHI in order to bill and collect payment for the services and items you may receive from us. For example, we may contact your health insurer to certify that you are eligible for benefits (and for what range of benefits), and we may provide your insurer with details regarding your treatment to determine if your insurer will cover, or pay for, your treatment. We also may use and disclose your IIHI to obtain payment from third parties that may be responsible for such costs, such as family members. Also, we may use your IIHI to bill you directly for services and items.

3. Health Care Operations. Our practice may use and disclose your IIHI to operate our business. As examples of the ways in which we may use and disclose your information for our operations, our practice may use your IIHI to evaluate the quality of care you received from us, or to conduct cost-management and business planning activities for our practice.

4. Appointment Reminders. Our practice may use and disclose your IIHI to contact you and remind you of an appointment.

5. Treatment Options. Our practice may use and disclose your IIHI to inform you of potential treatment options or alternatives.

6. Health-Related Benefits and Services. Our practice may use and disclose your IIHI to inform you of health-related benefits or services that may be of interest to you.

7. Release of Information to Family/Friends. Our practice may release your IIHI to a friend or family member that is involved in your care, or who assists in taking care of you. For example, a parent or guardian may ask that a babysitter take their child to the office to treat a cold. In this example, the babysitter may have access to this child's medical information.

8. Disclosures Required By Law. Our practice will use and disclose your IIHI when we are required to do so by federal, state or local law.

D. USE AND DISCLOSURE OF YOUR IIHI IN CERTAIN SPECIAL CIRCUMSTANCES

The following categories describe unique scenarios in which we may use or disclose your identifiable health information:

- notifying your employer under limited circumstances related primarily to workplace injury or illness or medical surveillance

2. Health Oversight Activities. Our practice may disclose your IIHI to a health oversight agency for activities authorized by law. Oversight activities can include, for example, investigations, inspections, audits, surveys, licensure and disciplinary actions; civil, administrative, and criminal procedures or actions; or other activities necessary for the government to monitor government programs, compliance with civil rights laws and the health care system in general.

3. Lawsuits and Similar Proceedings. Our practice may use and disclose your IIHI in response to a court or administrative order, if you are involved in a lawsuit or similar proceeding. We also may disclose your IIHI in response to a discovery request, subpoena, or other lawful process by another party involved in the dispute, but only if we have made an effort to inform you of the request or to obtain an order protecting the information the party has requested.

4. **Law Enforcement**. We may release IIHI if asked to do so by a law enforcement official:

- Regarding a crime victim in certain situations, if we are unable to obtain the person's agreement
- Concerning a death, we believe has resulted from criminal conduct
- Regarding criminal conduct at our offices
- In response to a warrant, summons, court order, subpoena or similar legal process
- To identify/locate a suspect, material witness, fugitive or missing person
- In an emergency, to report a crime (including the location or victim(s) of the crime, or the description, identity or location of the perpetrator)

5. **Deceased Patients**. Our practice may release IIHI to a medical examiner or coroner to identify a deceased individual or to identify the cause of death. If necessary, we also may release information in order for funeral directors to perform their jobs. As well as, family members involved in the care of the patient and family members who request records for genetic testing.

6. **Serious Threats to Health or Safety**. Our practice may use and disclose your IIHI when necessary to reduce or prevent a serious threat to your health and safety or the health and safety of another individual or the public. Under these circumstances, we will only make disclosures to a person or organization able to help prevent the threat.

8. **National Security**. Our practice may disclose your IIHI to federal officials for intelligence and national security activities authorized by law. We also may disclose your IIHI to federal officials in order to protect the President, other officials or foreign heads of state, or to conduct investigations.

9. **Inmates**. Our practice may disclose your IIHI to correctional institutions or law enforcement officials if you are an inmate or under the custody of a law enforcement official. Disclosure for these purposes would be necessary: (a) for the institution to provide health care services to you, (b) for the safety and security of the institution, and/or (c) to protect your health and safety or the health and safety of other individuals.

10. **Workers' Compensation**. Our practice may release your IIHI for workers' compensation and similar programs.

E. YOUR RIGHTS REGARDING YOUR IIHI

You have the following rights regarding the IIHI that we maintain about you:

1. **Confidential Communications**. You have the right to request that our practice communicate with you about your health and related issues in a particular manner or at a certain location. For instance, you may ask that we contact you at home, rather than work. In order to request a type of confidential communication, you must make a written request to **Privacy Officer, 479-219-5008** specifying the requested method of contact, or the location where you wish to be contacted. Our practice will accommodate **reasonable** requests. You do not need to give a reason for your request.

2. **Requesting Restrictions**. You have the right to request a restriction in our use or disclosure of your IIHI for treatment, payment or health care operations. You may restrict certain disclosures of PHI to a health plan or insurance company, for purposes of payment or health care operations, if you have paid in full for a service. Additionally, you have the right to request that we restrict our disclosure of your IIHI to only certain individuals involved in your care or the payment for your care, such as family members and friends. **We are not required to agree to your request**; however, if we do agree, we are bound by our agreement except when otherwise required by law, in emergencies, or when the information is necessary to treat you. In order to request a restriction in our use or disclosure of your IIHI, you must make your request in writing to **Privacy Officer, 479-219-5008**. Your request must describe in a clear and concise fashion:

(a) the information you wish restricted;
(b) whether you are requesting to limit our practice's use, disclosure or both; and
(c) to whom you want the limits to apply.

3. Inspection and Copies. You have the right to inspect and obtain a paper or electronic copy of the IIHI that may be used to make decisions about you, including patient medical records and billing records, but not including psychotherapy notes. You must submit your request in writing to **Privacy Officer, 479-219-5008** in order to inspect and/or obtain a copy of your IIHI. Our practice may charge a fee for the costs of copying, mailing, labor and supplies associated with your request. Our practice may deny your request to inspect and/or copy in certain limited circumstances; however, you may request a review of our denial. Another licensed health care professional chosen by us will conduct reviews.

4. Amendment. You may ask us to amend your health information if you believe it is incorrect or incomplete, and you may request an amendment for as long as the information is kept by or for our practice. To request an amendment, your request must be made in writing and submitted to **Privacy Officer, 479-219-5008.** You must provide us with a reason that supports your request for amendment. Our practice will deny your request if you fail to submit your request (and the reason supporting your request) in writing. Also, we may deny your request if you ask us to amend information that is in our opinion: (a) accurate and complete; (b) not part of the IIHI kept by or for the practice; (c) not part of the IIHI which you would be permitted
to inspect and copy; or (d) not created by our practice, unless the individual or entity that created the information is not available to amend the information.

5. Accounting of Disclosures. All of our patients have the right to request an "accounting of disclosures." An "accounting of disclosures" is a list of certain non-routine disclosures our practice has made of your IIHI for non-treatment or operations purposes. Use of your IIHI as part of the routine patient care in our practice is not required to be documented. For example, the doctor sharing information with the nurse; or the billing department using your information to file your insurance claim. In order to obtain an accounting of disclosures, you must submit your request in writing to **Privacy Officer, 479-219-5008**. All requests for an "accounting of disclosures" must state a time period, which may not be longer than three (3) years from the date of disclosure and may not include dates before April 14, 2003. The first list you request within a 12-month period is free of charge, but our practice may charge you for additional lists within the same 12-month period. Our practice will notify you of the costs involved with additional requests, and you may withdraw your request before you incur any costs.

6. Access Report. You are entitled to receive an access report that indicates who accessed your electronic designated record set. In order to obtain an access report, you must submit your request in writing to**, Privacy Officer, 479-219-5008.** The first list you request within a 12-month period is free of charge, but our practice may charge you for additional lists within the same 12-month period. Our practice will notify you of the costs involved with additional requests, and you may withdraw your request before you incur any costs.

7. Right to a Paper Copy of This Notice. You are entitled to receive a paper copy of our notice of privacy practices. You may ask us to give you a copy of this notice at any time. To obtain a paper copy of this notice, contact **Privacy Officer, 479-219-5008.**

8. Right to File a Complaint. If you believe your privacy rights have been violated, you may file a complaint with our practice or with the Secretary of the Department of Health and Human Services. To file a complaint with our practice, contact **Privacy Officer, 479-219-5008.** All complaints must be submitted in writing. **You will not be penalized for filing a complaint**.

9. Breach Notification. Affected patients have the right to be notified following a breach of their unsecured PHI.

10. Right to Provide an Authorization for Other Uses and Disclosures. Our practice will obtain your written authorization for uses and disclosures that are not identified by this notice or permitted by applicable law. This includes most uses and disclosures of psychotherapy notes, disclosures for marketing purposes, and disclosures that constitute a sale of PHI. Any authorization you provide to us regarding the use and disclosure of your IIHI may be revoked at any time in writing. After you revoke your authorization, we will no longer use or disclose your IIHI for the reasons described in the authorization. Please note, we are required to retain records of your care.

Again, if you have any questions regarding this notice or our health information privacy policies, please contact **Privacy Officer, 479-219-5008**
